Neo

Materials

Body: Square section slats made from Moabi hardwood with a coloured protective stain (see options) which are mounted onto a galvanised steel frame. A moulded lid with a 150mm square aperture prevents large items being placed in the bin and litter being blown about by the wind

Liner: Stainless steel (grade 304), retained by a locking mechanism using a tri-head bolt

Options

The Moabi may be stained in an oak or mahogany colour

Installation

To be bolted to the ground

Dimensions

470mm square x 600mm high

Capacity

50 litres

Weight

40kg
