

Litter Shark

This exceptionally stylish litter bin offers a sleek design solution for today's urban environment combining timeless aesthetics with a vandal proof construction and large capacity

Materials

Body: Polished stainless steel (grade 304) with snap-lock door mechanism (tri-head bolt) and cast zinc door hinges

Litter Shark 1 made from 2mm thick stainless steel and Litter Shark 2 made from 3mm thick stainless steel

A stainless steel ring for securing a plastic liner-bag is internally mounted and may be swivelled out for simple emptying of the bin. It swings back into place automatically

Installation

To be bolted to the ground

Capacity

Litter Shark 1: 70 litres
Litter Shark 2: 120 litres

Weight

70 litres: 29kg
120 litres: 68kg
