

Kora

The Kora litter bin is available in two distinctive styles, with either wooden or stainless steel trim

Materials

Cast aluminium body with stainless steel slatted detail or cast aluminium body with wooden slats of untreated Kambala. Note that untreated wood will become pale silver/grey over time

Liner: Stainless steel (grade 304), retained by a locking mechanism using a tri-head bolt

Options

The metal parts may be painted any standard RAL colour

The slats may be treated with a light brown wood-stain

A bolt-on root is available, made from galvanised steel

Installation

To be bolted to the ground

Capacity

25 litres

Weight

24kg
